

Answer

Question

Q&A'S FROM SEPTEMBER 2025 ALT INDUSTRY

Q1: Not sure if I heard correctly, will the upcoming PEO IEWS HQ SETA be a SB set aside solely?

A1: Yes, the HQ SETA is only a Small Business set-aside.

Q2: AIS@P was removed from Sam.gov. Will it be replaced by another contract opportunity?

A2: More future opportunities are anticipated through the Army Open Solicitation (AOS)

Q3: Kim: What is the schedule for the HQ SETA draft RFP release?

A3: The Draft RFP will be released 1st QTR FY26

Q4: The PB 2026 Army budget document shows MEMMS as a new start funded at \$9M in FY26. How do you reconcile the amount in the budget versus the \$75-95M shown on the chart? How much do anticipate be available for the prototype awards in 2026?

A4: The funding profile for MEMMS is not 100% approved, full funding will depend on final requirement validation in 2nd QTR FY 26.

Q5: For MEMMS is there a teaming list available?

A5: No team list available at this time. Continue to monitor Sam.gov for announcements.

Q6: For PM EW&C: How are requirements being updated from TiC units? Are these updates going from TiC units to ACM EW to PM EW&C?

A6: TPM EW&C is actively refining capabilities through a multi-faceted feedback process leveraging Soldier input from TiC engagements. While ACM EW maintains continuous touchpoints with supported Soldiers to gather ongoing feedback, PM EW&C representatives are embedded with TiC units during each engagement to comprehensively collect data. This data collection includes Human Systems Integration reporting, performance evaluation reporting – tracking requirement validation through continued usage – and direct feedback used to update CON-OPS, CONEMPs, and user workflows. This integrated approach ensures a continuous feedback loop informing capability development and doctrinal refinement.

Q7: When do you expect the Draft RFP and RFP to be released for PM EW&C SETA?

A7: The projected dates are Draft RFP 1st QTR FY 27 Award 3rd QTR FY 27. This is subject to change based on requirements.

Q8: Will there be draft RFPs for ERIS and MEMSS prior to final solicitation?

A8: ERIS- 30 September - 01 December (posted on sam.gov and Vulcan)

Q9: Can additional details be provided on what is meant by Open Architecture for the ERIS program? Will it be required to be built around CMFF constructs?

A9: At this time, it is not anticipated that CMFF will be required, as some of the requirements may not be needed or meet the ERIS form factor. Instead, the Government intends to review the ERIS program based on SOSA standards and industry standards that can be incorporated into SOSA. As always, this is subject to change and the final requirement will be indicated in the RFP.”

Q10: Is CSR inclusive of MEMSS, i.e. CSR is system of subsystems and includes force protection, one could infer that MEMSS is one of the subsystems that providing force protection and freedom of maneuver capability?

A10: MEMSS and CSR are different systems and therefore will be handled as different systems.

Q11: How is SPEED ACT going to affect acquisition strategies at PM EW&C moving forward?

A11: The PM intends to utilize commercial opportunities and existing capabilities and intends to utilize the CSO process as appropriate for future acquisition strategies.

Q12: Can PM IS&A provide an update on the cybersecurity services RFI they released earlier this year Notice ID: W56KGY25X?

A12: The Cybersecurity services effort related to the prior RFI is being re-evaluated for further action.

Q13: Has the PM PNT Control # 15461 for CMFF redesign of APNT card for cost reduction been released on SAMS

A13: The Statement of Need for the A-PNT card in support of CMFF was released on 24 April 2025 through the C5 OTA. Evaluations are ongoing and award is forecasted for 2QFY26.

Q14: Regarding PM PNT for CMFF redesign, if it has not been released when is it expected to be released

A14: The Statement of Need for the A-PNT card in support of CMFF was released on 24 April 2025 through the C5 OTA. Evaluations are ongoing and award is forecasted for 2QFY26.

Q15: Can you confirm if BFC2 will be unrestricted on RS3 - For PM TS - Bio

A15: The planned acquisition approach for BFC2 under RS3 is unrestricted. As always, this is subject to change and the final requirement will be indicated in the solicitation.

Q16: To confirm the PD Aerostat Poland contract is expected to be awarded by the end of September?

A16: The contract was awarded September 22 2025
