Biography | Department of the Army

Mr. Jerord Wilson, Deputy Project Manager PM Terrestrial Sensors

Capability Program Executive, Intelligence and Spectrum Warfare
Aberdeen Proving Ground, MD USA 21005-1845

U.S. ARMY

Mr. Jerord "Jerry" E. Wilson is the current Deputy Project Manager, Terrestrial Sensors. Mr. Wilson is responsible for the development, platform integration, upgrade, testing, fielding, and sustainment of Programs of Record (POR) and Quick Reaction Capabilities (QRCs) to meet urgent Warfighter requirements.

As an Army Officer and a Department of the Army Civilian with over 34 years of Federal Service, Mr. Wilson has held numerous key leadership positions, such as: Team Leader, Squad Leader, Platoon Leader, Airborne Infantry Assistant S-3, Airborne Infantry Rifle Company Commander, Army Infantry Branch Officer, Strategic Communication Operations Officer, Assistant Product Manager, Associate Director for Technologies/ International programs, and Deputy Product Manager. Mr. Wilson has served in two (2) combat operations, Operation Just Cause (Panama) and Operation Iraqi Freedom (OIF).

In 2017, Mr. Wilson was named one of the Command, Control, Communications, Computers, Intelligence, Surveillance and Reconnaissance (C4ISR) Top Ten Employees of the Year. His military and civilian awards include the Legion of Merit medal, Bronze Star medal, U.S. Army RANGER Tab, Army Meritorious Service Medal (4th Award), Combat Infantryman's Badge (2nd Award), Expert Infantryman's Badge, Airborne Badge, Air Assault Badge, Drill Sergeant Badge, the Infantry Order of Saint Maurice Medal (Centurion), and the Superior Medal for Civilian Service.

Mr. Wilson is a graduate of the U.S. Army Ranger School, the Army Civilian Advanced Course, and the Defense Acquisition University Senior Service College. He holds a Bachelor of Arts degree in Computer Information System Management from Colorado Christian University and a Master of Arts Degree in Procurement and Acquisitions from Webster University. He is DAWIA certified Level III in Project Management and Level I in Information Technology.
