

Mr. Matt Schnaidt, Acting Deputy Project Manager
Space Superiority and Exploitation

Capability Program Executive, Intelligence and Spectrum Warfare

Hailing from Michigan, Matt graduated from the United States Military Academy in 1988 as a Corps of Engineers officer. Matt held troop command and staff positions in the V, VII and XVIII Airborne Corps.

He joined the Army Acquisition Corps in 1996, and held a variety of positions in the following organizations:

- National Missile Defense System
- Canadian Forces Information Management Group
- Terminal High Altitude Area Defense Project
- Future Combat Systems Program
- Global Combat Support System – Army
- Army Special Programs Office and TENCAP
- National Reconnaissance Office

Matt joined the civil service in 2015 as the Technical Director for the Army Geospatial Center's System and Acquisition Support Directorate. In 2019, he returned to TENCAP where he held various positions including director.

Matt has degrees from the U.S. Military Academy, the Naval Postgraduate School, and Webster University, and is a licensed Professional Engineer.

Matt is married to the former Anita Bäcker of Windischeschenbach, Germany and they have two adult children, Dominick and Isabel.
